

EDUCATION

Bachelor of Science (B.Sc)

Oau

2015 - 2020

INTERNSHIPS

Synoford Engineering

Synoford Engineering, Virtual

Aug 2019 - Feb 2020

Worked as a frontend developer

POSITIONS OF RESPONSIBILITY

Frontend developer

TRAININGS

Udemy Frontend Development

udemy, Online

May 2019 - Dec 2019

I finished the course

PROJECTS

Youtube clone

Oct 2020 - Oct 2020

<https://youtubeclonee.netlify.app/>

I built it wit react js and youtube api

A Face recognition app

Oct 2020 - Oct 2020

<https://facerecognitionn.netlify.app/>

An app that detects the face of a person in an image.

Weather app

Aug 2020 - Aug 2020

<https://github.com/Kumputaisaac/Weather-app>

I didn't host the app because payment was required to convert from http to https from the api I used.

The app tells you the current weather of anywhere in the world

A food recipe app

Jun 2020 - Jun 2020

<https://foodrecipее.netlify.app/>

I built myself

Todo app

Apr 2020 - Apr 2020

<https://todo-listt.netlify.app/>

SKILLS

A todo app
